

Mac Studio Software List by Title

Software	Purpose
Ableton Live 11 Studio	Digital audio workstation – AV Studio only
Adobe Acrobat DC	PDF editing and creation
Acrobat Reader	PDF reader
Adobe After Effects	Video editor for special effects
Adobe Animate	Animation software
Adobe Audition	Audio editor
Adobe Bridge	Photo editor and image organizer
Adobe Character Animator	Animation software
Adobe Digital Editions	eBook reader
Adobe Dimension	Animation software
Adobe Dreamweaver	Web development
Adobe Illustrator	Graphic design - vector graphics
Adobe InCopy	Word processor
Adobe InDesign	Desktop publishing
Adobe Lightroom Classic	Photo editor and image organizer
Adobe Media Encoder	Video output tool
Adobe Photoshop	Photo editor
Adobe Premiere Pro	Video editor
Adobe Premiere Rush	Video editor
Adobe Substance 3D Designer	3D design
Adobe Substance 3D Painter	3D design
Adobe Substance 3D Sampler	3D design
Adobe Substance 3D Stager	3D design
Adobe XD	Web development - UX/UI
Arduino	Code editor and debugger for Arduino
Audacity	Audio editor
Autodesk Fusion 360	3D design
balenaEtcher	Utility used for writing image files
Blackhole	Virtual audio loopback driver
Blender	3D design
Chrome	Browser
Compressor	Compression tool for files
Darktable	Photography application and raw developer
DaVinci Resolve	Video editor
Deep Freeze	Software utility that restores a computer back to its original configuration with rebooting
Epson Scanner Software	Scanning software
Epson 12000XL printer installer	Scanning software
Final Cut Pro X	Video editor
Firefox	Browser
Flameshot	Screenshot tool
FreeCAD	3D design
Garageband	Digital audio workstation
GIMP	Photo editor
GitHub Desktop	Development workflow tool
Handbrake	Video converter
Helm	Synthesizer

iMovie	Video editor
Inkscape	Graphic design - vector graphics
JDK Development Kit	Development environment using the Java programming language
KDENLive	Video editor
Keynote	Office productivity
Krita	Graphics editor
Libre Office	Office productivity
Logic Pro X	Digital audio workstation
Main Stage	Music application
Motion 5	Motion graphics software to be used with Final Cut Pro X
MS Office Suite	Office productivity
Visual Studio Code	Code editor
MuseScore	Music notation
Numbers	Office productivity
OBS Studio	Video recording and live streaming software
OpenSCAD	3D design
Pages	Office productivity
PaulXStretch	Audio editor
Playground	Code editor - Swift
PrusaSlicer	3D printer slicing software
Pure Data	Code editor - Visual programming language, music
Python IDLE (Integrated Development and Learning Environment)	Code editor - Python
QGIS	Geographic information system application
RawTherapee	Photo editor for RAW files
Reaper	Audio production
Safari	Browser
Scribus	Desktop publishing
Solvespace	3D design
Sonic Pi	Code editor- Sound creation
TAL NoiseMaker	Synthesizer
Ultimaker Cura	3D printer slicing software
VCV Rack	Synthesizer
VLC Media Player	Media player
Wacom Tablet Software	Drivers - DIH drawing tablets
WebEx	Videoconferencing software
Xcode	Development environment using various programming languages
Zbrush Core Mini	3D design
Zoom R16 Audio Interface Mac Drivers	Drivers – AV Studio Multitrack Recorder

Mac Studio Software List by Function

Purpose	Software
3D design	Adobe Substance 3D Designer
3D design	Adobe Substance 3D Painter
3D design	Adobe Substance 3D Sampler
3D design	Adobe Substance 3D Stager
3D design	Autodesk Fusion 360
3D design	Blender
3D design	FreeCAD
3D design	OpenSCAD
3D design	Solvespace
3D printer slicing software	PrusaSlicer
Animation software	Adobe Animate
Animation software	Adobe Character Animator
Animation software	Adobe Dimension
Audio editor	Adobe Audition
Audio editor	Audacity
Audio editor	PaulXStretch
Audio production	Reaper
Browser	Chrome
Browser	Firefox
Browser	Safari
Code editor	Visual Studio Code
Code editor - Python	Python IDLE (Integrated Development and Learning Environment)
Code editor - Swift	Playground
Code editor - Visual programming language, music	Pure Data
Code editor and debugger for Arduino	Arduino
Code editor- Sound creation	Sonic Pi
Compression tool for files	Compressor
Desktop publishing	Adobe InDesign
Desktop publishing	Scribus
Development environment using the Java programming language	JDK Development Kit
Development workflow tool	GitHub Desktop
Digital audio workstation	Garageband
Digital audio workstation	Logic Pro X
Digital audio workstation – AV Studio only	Ableton Live 11 Studio
eBook reader	Adobe Digital Editions
Geographic information system application	QGIS
Graphic design - vector graphics	Adobe Illustrator
Graphic design - vector graphics	Inkscape
Graphics editor	Krita
Motion graphics software to be used with Final Cut Pro X	Motion 5
Music application	Main Stage
Music notation	MuseScore
Office productivity	Keynote
Office productivity	Libre Office
Office productivity	MS Office Suite

Office productivity	Numbers
Office productivity	Pages
PDF editing and creation	Adobe Acrobat DC
PDF reader	Acrobat Reader
Photo editor	Adobe Photoshop
Photo editor	GIMP
Photo editor and image organizer	Adobe Bridge
Photo editor and image organizer	Adobe Lightroom Classic
Photo editor for RAW files	RawTherapee
Photography application and raw developer	Darktable
Scanning software	Epson Scanner Software
Scanning software	Epson 12000XL printer installer
Screenshot tool	Flameshot
Software utility that restores a computer back to its original configuration with rebooting	Deep Freeze
Synthesizer	Helm
Utility used for writing image files	balenaEtcher
Video converter	Handbrake
Video editor	Adobe Premiere Pro
Video editor	Adobe Premiere Rush
Video editor	DaVinci Resolve
Video editor	Final Cut Pro X
Video editor	iMovie
Video editor	KDENLive
Video editor for special effects	Adobe After Effects
Video output tool	Adobe Media Encoder
Video recording and live streaming software	OBS Studio
Virtual audio loopback driver	Blackhole
Web development	Adobe Dreamweaver
Web development - UX/UI	Adobe XD
Word processor	Adobe InCopy
Synthesizer	TAL NoiseMaker
3D printer slicing software	Ultimaker Cura
Synthesizer	VCV Rack
Media player	VLC Media Player
Drivers - DIH drawing tablets	Wacom Tablet Software
Videoconferencing software	WebEx
Development environment using various programming languages	Xcode
3D design	Zbrush Core Mini
Drivers - AV Studio Multitrack Recorder	Zoom R16 Audio Interface Mac Drivers
